

# HEENA K JETHAVA

Software Developer with a passion for UI/UX Design

## About me

I'm a software developer with a keen eye for UI/UX design. I craft intuitive software applications by conducting in-depth user research, creating wireframes and prototypes, and collaborating with team members to ensure a seamless user journey. I'm passionate about creating user-centered products that make a positive impact.

## Education

**The S.I.A. College of Higher Education, Dombivli E**

Bachelors of Science & Information Technology  
B.sc.IT - 2023, secured 8.90 CGPA
